* In 1987 and in response to Congressional direction that UMRR be implemented in consultation with the Department of the Interior and the states of Illinois, Iowa, Minnesota, Missouri, and Wisconsin, the U.S. Army Corps of Engineers established the UMRR Coordinating Committee to serve as the over-arching body for coordinating issues related to all aspects of UMRR. In this role, the UMRR Coordinating Committee provides the Corps with the partner agencies' perspectives on UMRR policy, budget, and implementation. Per UMRR's authorization, the Corps implements agreements with UMRBA to promote and facilitate this coordination.
